

**Looking for more
business, new partners or
opportunities to develop
your skills?**

**Join IEC – the Linnaeus region's network for the
digital sector!**

As a member, you get:

- Increased business opportunities
- Increased visibility through IEC's digital sector search engine findskills.se
- Better tools for recruitment
- Access to continuous competence development
- Access to our joint development resources
- Invitations to participate in research projects and access to research results

IEC also organizes various activities such as Digital week (Digitala veckan), IT-pubs for members, seminars, workshops and more.

Backing IEC is Linnaeus University, member organizations, science parks and funders like EU via Tillväxtverket. Membership is currently free of charge.

Welcome to apply to join IEC. For more info and application form, please visit: iec2020.se or scan the QR code below:
